At Apollo, we are passionate about giving performers the opportunity to thrive and develop skills on stage; offering high quality on-stage experience, in a professional environment. For this reason, we ask for a small show fee in order to cover the external production costs, including: lighting, sound, technical crew, chaperones, licensing, performers insurance and staffing for the day.

UNIFORM AT APOLLO

A reminder to all parents that correct uniform is compulsory for all classes at Apollo.

Children who arrive not in uniform*, will unfortunately be unable to participate in class. This policy is in place to maintain fairness, safety, and consistency across the school.

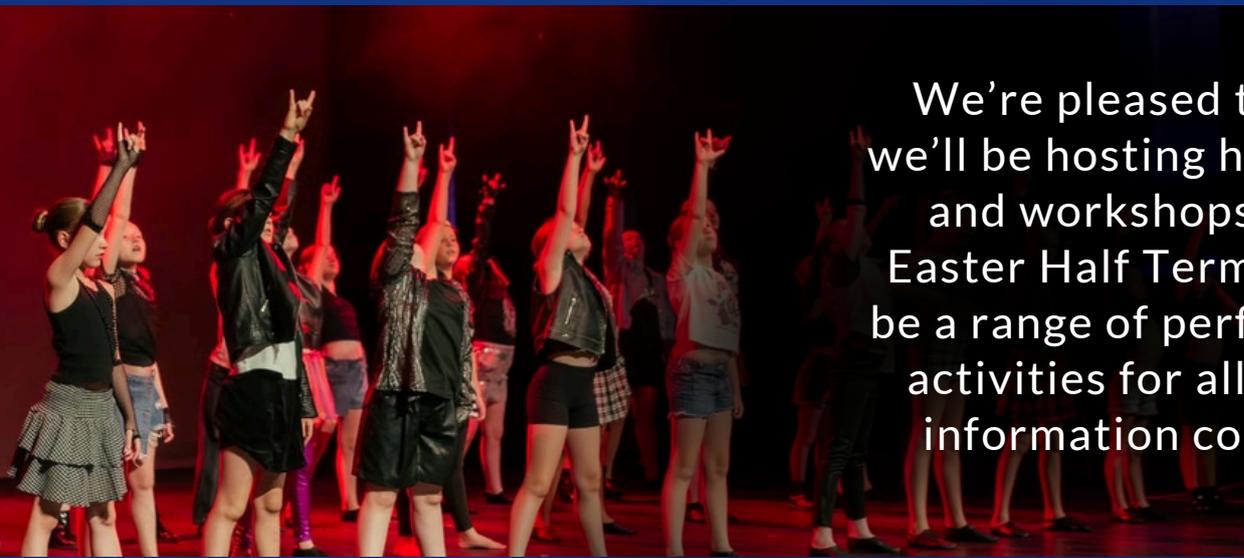

Uniform is not just about appearance, it helps children feel part of the team, builds pride in their training, and encourages a sense of professionalism. As we move into show term and share rehearsals on social media, it's important that all students are looking and feeling their best in correct, branded Apollo uniform and correct footwear. Please ensure your uniform orders are placed via our website shop.

• *Except if uniform has been ordered or in special circumstances*
