## ORDER ONLINE - HEAD TO OUR WEBSITE

A reminder to all parents that correct uniform is compulsory for all classes at Apollo. Please ensure you have ordered the required items via our website as soon as possible.

Children who arrive not in uniform will unfortunately be unable to participate in class. This policy is in place to maintain fairness, safety, and consistency across the school. Uniform is not just about appearance, it helps children feel part of the team, builds pride in their training, and encourages a sense of professionalism. As we move into show term and share rehearsals on social media, it's important that all students are looking and feeling their best in correct, branded Apollo uniform and correct footwear.
